

The AQUATIC DESIGN CENTRE

Tropical Aquatic Plant List (2017)

26 Zennor Road Trade Park, Balham, London SW12 0PS

shop@aquaticdesign.co.uk

| Scientific Name | Variation Name | Availability (Yes/No) |
|-----------------------------------|------------------|-----------------------|
| <i>Acorus pusillus</i> | Acorus dwarf | |
| <i>Aegagropila linnaei</i> | Moss Ball | Y |
| <i>Aglaonema longifolia</i> | Kelanian Sword | |
| <i>Aglaonema simplex</i> | Malayan Sword | |
| <i>Alternanthera beltzickiana</i> | Green Water Rose | |
| <i>Alternanthera reineckii</i> | Mini | Y |
| <i>Alternanthera reineckii</i> | Purple | Y |
| <i>Alternanthera reineckii</i> | Pink | Y |
| <i>Alternanthera rosanervig</i> | | |
| <i>Alternanthera sessilis</i> | | |
| <i>Ammannia gracilis</i> | | |
| <i>Anubias barteri</i> | Bonsai | Y |
| <i>Anubias barteri</i> | Gold | Y |
| <i>Anubias barteri</i> | Caladifolia | Y |
| <i>Anubias barteri</i> | Petite | Y |
| <i>Anubias barteri</i> | Angustifolia | Y |
| <i>Anubias barteri</i> | Coffeefolia | Y |
| <i>Anubias barteri</i> | On Wood | Y |
| <i>Anubias barteri</i> | On Rock | Y |
| <i>Anubias sp.</i> | On Rock | Y |
| <i>Aponogeton boivinianus</i> | | Y |
| <i>Aponogeton capuroni</i> | | Y |
| <i>Aponogeton crispus</i> | Red | Y |
| <i>Aponogeton madagacariensis</i> | | Y |
| <i>Aponogeton sp.</i> | Red | Y |
| <i>Aponogeton ulvaceus</i> | | Y |
| <i>Armoracia aqualica</i> | | |
| <i>Bacopa caroliniana</i> | | Y |
| <i>Bacopa lanigera</i> | Round | |
| <i>Bacopa monnieri</i> | | Y |
| <i>Bacopa myriophylloides</i> | | |
| <i>Barclaya longifolia</i> | | Y |
| <i>Blyxa aubertii</i> | | |
| <i>Blyxa japonica</i> | | |
| <i>Bolbitis heudelotii</i> | | Y |
| <i>Bucephalandra achilles</i> | Dark | Y |
| <i>Bucephalandra sp.</i> | Wavy Green | Y |
| <i>Bucephalandra sp.</i> | Brownie Blue | Y |
| <i>Bucephalandra sp.</i> | Brownie | Y |
| <i>Bucephalandra sp.</i> | Bungan | Y |
| <i>Bucephalandra sp.</i> | Dark | Y |
| <i>Bucephalandra sp.</i> | Flora | Y |
| <i>Bucephalandra sp.</i> | Kedagang mini | Y |

| | | |
|------------------------------------|------------------|---|
| <i>Bucephalandra sp.</i> | Purcha | Y |
| <i>Bucephalandra sp.</i> | Melawi Fine Edge | Y |
| <i>Bucephalandra sp.</i> | Super Blue | Y |
| <i>Bucephalandra sp.</i> | Velvet | Y |
| <i>Cabomba aquatica</i> | | Y |
| <i>Cabomba australis</i> | | |
| <i>Cabomba piauhyensis</i> | | |
| <i>Calamus sp.</i> | Bamboo Plant | |
| <i>Cardamine lyrata</i> | | Y |
| <i>Ceratophyllum demersum</i> | | Y |
| <i>Ceratophyllum demersum</i> | Foxtail | Y |
| <i>Ceratopteris cornuta</i> | | Y |
| <i>Ceratopteris siliquosa</i> | Indian Fern | |
| <i>Ceratopteris thalictroides</i> | | Y |
| <i>Chlorophytum bichetii</i> | | Y |
| <i>Cladophora aegagropila</i> | | |
| <i>Cordyline compacta</i> | | |
| <i>Cordyline teminalis</i> | | |
| <i>Crassula helmsi</i> | | |
| <i>Cratoneuron filicinum</i> | Water Fern Moss | Y |
| <i>Crinum calamistratum</i> | | Y |
| <i>Crinum thaianum</i> | | Y |
| <i>Cryptocoryne beckettii</i> | | Y |
| <i>Cryptocoryne beckettii</i> | Petchili | Y |
| <i>Cryptocoryne cordata</i> | | Y |
| <i>Cryptocoryne legroi</i> | | Y |
| <i>Cryptocoryne lingua</i> | | Y |
| <i>Cryptocoryne lucens</i> | | Y |
| <i>Cryptocoryne lutea</i> | | Y |
| <i>Cryptocoryne nevetii</i> | | |
| <i>Cryptocoryne parva</i> | | Y |
| <i>Cryptocoryne pontederifolia</i> | | |
| <i>Cryptocoryne sp.</i> | Purplea | Y |
| <i>Cryptocoryne usteriana</i> | | Y |
| <i>Cryptocoryne wendtii</i> | Brown | Y |
| <i>Cryptocoryne wendtii</i> | Grun | Y |
| <i>Cryptocoryne wendtii</i> | Green | Y |
| <i>Cryptocoryne wendtii</i> | Mi Oya | Y |
| <i>Cryptocoryne wendtii</i> | Tropica | Y |
| <i>Cryptocoryne crispatula</i> | | Y |
| <i>Cyperus helferi</i> | | Y |
| <i>Didiplis diandra</i> | | Y |
| <i>Dracaena deremensis</i> | | |
| <i>Dracaena sanderiana</i> | | Y |
| <i>Echinodorus bleheri</i> | | Y |
| <i>Echinodorus grisebachii</i> | | Y |
| <i>Echinodorus sp.</i> | Ozelot | Y |
| <i>Echinodorus sp.</i> | Red Diamond | Y |
| <i>Echinodorus sp.</i> | Rose | Y |
| <i>Echinodorus sp.</i> | Barthii | Y |

| | | |
|--------------------------------------|-------------|---|
| <i>Echinodorus sp.</i> | tenellus | Y |
| <i>Egeria densa</i> | | Y |
| <i>Elatine hydropiper</i> | | Y |
| <i>Eleocharis acicularis</i> | | Y |
| <i>Eleocharis parvula</i> | | Y |
| <i>Eleocharis pusilla</i> | | Y |
| <i>Eleocharis sp.</i> | Mini | Y |
| <i>Eleocharis vivipara</i> | | |
| <i>Eustralis stellata</i> | | Y |
| <i>Fantinalis antipyretica</i> | | Y |
| <i>Fissidens fontanus</i> | | Y |
| <i>Fissidens geppi</i> | | Y |
| <i>Fittonia argyronanta</i> | | |
| <i>Fontinalis antipyretica</i> | Willow Moss | Y |
| <i>Glossostigma elatinoides</i> | | Y |
| <i>Helanthium tenellum</i> | | Y |
| <i>Hemianthus callitrichoides</i> | | Y |
| <i>Hemianthus micranthemoides</i> | | Y |
| <i>Hemigraphis colorata</i> | | Y |
| <i>Heteranthera zosterifolia</i> | | Y |
| <i>Houltuynia cordata</i> | | |
| <i>Hydrilla verticillata</i> | | |
| <i>Hydrocotyle leucocephala</i> | | |
| <i>Hydrocotyle pinnatifida</i> | | |
| <i>Hydrocotyle tripartita</i> | | |
| <i>Hydrocotyle verticillata</i> | | |
| <i>Hygrophila angustifolia</i> | | |
| <i>Hygrophila corymbosa</i> | Siamensis | Y |
| <i>Hygrophila corymbosa</i> | | |
| <i>Hygrophila costata</i> | | Y |
| <i>Hygrophila difformis</i> | | Y |
| <i>Hygrophila polysperma</i> | Sunset | Y |
| <i>Hygrophila sailcifolia</i> | | Y |
| <i>Hygrophila sp.</i> | | |
| <i>Isoetes japonica</i> | | |
| <i>Lagarosiphon madagascariensis</i> | | Y |
| <i>Lagarosiphon major</i> | | |
| <i>Lagarosiphon meeboldii</i> | Red | Y |
| <i>Lilaeopsis brasiliensis</i> | | Y |
| <i>Limnophila aquatica</i> | | Y |
| <i>Limnophila aromatica</i> | | Y |
| <i>Limnophila aromtica</i> | | Y |
| <i>Limnophila emerse</i> | | |
| <i>Limnophila hippuridoides</i> | | Y |
| <i>Limnophila sessiliflora</i> | | Y |
| <i>Limnophila sp.</i> | Vietnam | Y |
| <i>Lindernia rotundifolia</i> | | Y |
| <i>Lobelia cardinalis</i> | | Y |
| <i>Lomariopsis lineata</i> | | Y |
| <i>Ludwigia inclinata</i> | | |

| | | |
|-------------------------------------|---------------|---|
| <i>Ludwigia arcuata</i> | | Y |
| <i>Ludwigia brevipes</i> | | |
| <i>Ludwigia glandulosa</i> | | |
| <i>Ludwigia mullertii</i> | | |
| <i>Ludwigia palustris</i> | | |
| <i>Lugwigia perennis</i> | | |
| <i>Lugwigia repens</i> | | |
| <i>Lysimachia aurea</i> | | |
| <i>Marsilea angustifolia</i> | | Y |
| <i>Mayaca fluviatilis</i> | | Y |
| <i>Micranthemum micranthemoides</i> | Monte Carlo | Y |
| <i>Micranthemum umbrosum</i> | | Y |
| <i>Microsorium pteropus</i> | | Y |
| <i>Monosolenium sp.</i> | | Y |
| <i>Myriophyllum aquaticum</i> | | Y |
| <i>Myriophyllum elatinoides</i> | | Y |
| <i>Myriophyllum hippuroides</i> | | |
| <i>Myriophyllum matogrossense</i> | | Y |
| <i>Myriophyllum pinnatum</i> | | Y |
| <i>Myriophyllum tuberculatum</i> | | Y |
| <i>Nesaea sp.</i> | | Y |
| <i>Nomaphila sp.</i> | | |
| <i>Nymphaea maculata</i> | | |
| <i>Nymphaeaceae lotus</i> | lotus Lily | Y |
| <i>Nymphaeaceae sp.</i> | Water Lily | Y |
| <i>Ophiopogon jaburan</i> | | |
| <i>Peplis diandra</i> | Water Hedge | |
| <i>Pistia stratiotes</i> | | Y |
| <i>Pogostemon helferi</i> | | Y |
| <i>Pogostemon stellata</i> | Eusteralis | Y |
| <i>Polvonum sp.</i> | Triangle Leaf | Y |
| <i>Polygonum aquaticum</i> | | Y |
| <i>Polygonum sp.</i> | Sao Paulo | Y |
| <i>Potomageton crispus</i> | | |
| <i>Proserpinaca palustris</i> | Cuba | Y |
| <i>Riccia chamedryfolia</i> | | Y |
| <i>Riccia fluitans</i> | | Y |
| <i>Rolata nanjean</i> | | |
| <i>Rorippa aquatica</i> | | |
| <i>Rotala indica</i> | | Y |
| <i>Rotala macranda</i> | | Y |
| <i>Rotala rotundifolia</i> | | Y |
| <i>Rotala wallichii</i> | | Y |
| <i>Sagittaria cernuus</i> | | |
| <i>Sagittaria natans</i> | | |
| <i>Sagittaria pusilus</i> | | |
| <i>Sagittaria subulata</i> | | Y |
| <i>Saururus cernuus</i> | | |
| <i>Selgainella sp.</i> | | |
| <i>Spatiphyllum sp.</i> | | |

| | | |
|-------------------------------------|--------------------|---|
| <i>Spatiphyllum wallissii</i> | | |
| <i>Staurogyne repens</i> | | |
| <i>Staurogyne sp.</i> | Porto Vehlo | Y |
| <i>Taxiphyllum barbieri</i> | | Y |
| <i>Taxiphyllum sp.</i> | On Rock | Y |
| <i>Taxiphyllum sp.</i> | Flame | Y |
| <i>Taxiphyllum sp.</i> | Spiky | Y |
| <i>Trichocoronis rivularis</i> | | |
| <i>Trichocoronis rivularis var.</i> | | |
| <i>Trichomanes javanicum</i> | | |
| <i>Utricularia graminifolia</i> | | Y |
| <i>Utricularis vulgaris</i> | | |
| <i>Vallisneria asiatica</i> | | |
| <i>Vallisneria contortionist</i> | | |
| <i>Vallisneria rubra</i> | | |
| <i>Vallisneria sp.</i> | | Y |
| <i>Vallisneria spiralis</i> | Tiger | Y |
| <i>Vallisneria torta</i> | | |
| <i>Vesicularia dubyana</i> | Java Moss | Y |
| <i>Vesicularia sp.</i> | Amazonia Java Moss | Y |
| | | |
